Διαχειριστής - αρχή

The image shows a web interface for managing location history data. At the top, there is a blue button labeled "Go to dashboard". Below this is the title "Location History Heatmap". The interface includes several filter sections: "Select year" with a dropdown set to "2020", "Select month" with a dropdown set to "February", "Select day" with a dropdown set to "All", and "Select hour" with a dropdown set to "--Select Hour--". There is also a "Select all activities" checkbox which is unchecked. Below this are four activity checkboxes: "Running" (checked), "On Bicycle" (checked), "Walking" (checked), and "Still" (unchecked). There is also an "In vehicle" checkbox which is unchecked. The "Export as" section has three radio buttons: "csv" (unchecked), "json" (checked), and "xml" (unchecked). At the bottom, there are three blue buttons: "Apply filters", "Export selected data", and "Delete all data".
